Extreme, Wild Weather Predicted For Niagara Falls This Summer

Weatherman Forecasts Blinding Whiteouts, Hurricane Force Winds and Monumental Landslides for the Falls – Dress Appropriately!

(Niagara Falls, ON) April 22, 2008 – Something extreme and wild is coming to Niagara Falls this summer. The weatherman is predicting weather, not seen in 10,000 years, will hit Niagara Falls just in time for the summer season including glacial devastation, cataclysmic flooding and electrifying storms. Go to www.niagarasfury.com to consult the weatherman and see if you will survive the Fury that will hit Niagara Falls this summer.

The Niagara Parks Commission continues to slowly reveal the highly secretive nature of the Fury. Visit the Niagara's Fury™ website to check out new Fury Fun including the weatherman's extreme forecast for Niagara Falls and eight (8) new downloadable wallpapers.

Also posted on www.niagarasfury.com this week are the Top 10 Results of the *Guess Box* contest that invited visitors to take their best guess at what Niagara's Fury might be. The *Guess Box* was posted on the website on March 25. Since then, guesses have come into the site from around the globe. Go to www.niagarasfury.com to vote on your favourite and most intriguing guesses. From being suspended over the thundering Falls to a totally "Furilicious" ice cream experience, go to the site and vote for your favourite guess. Voting starts April 22nd and closes April 30 at 12:00am. The results will be posted on www.niagarasfury.com on May 20th.

Visitors to the site can also download the 90-second video teaser and play *Freezing Falls*, an online game that allows players to experience their own glacial devastation. The Survival Contest for a VIP Prize package for (4) four closes April 30th and a winner will be announced on May 20th.

Niagara's Fury™ is the cornerstone of the highly anticipated renovations at Table

Rock. In a major, exciting development at the Table Rock site this week, trucks from California started arriving with the Fury on board.

The new Table Rock will be Niagara's newest "must see" destination for shopping, dining and entertainment. Major renovations and state-of-the art additions include a Bridge of Flowers, which will showcase a distinctive Clock Tower, provide covered pedestrian access from the Fallsview Tourist Area and a Grand Hall year-round viewing Gallery.
